Re: Town Manager's Report

Dear Council Members:

The following will keep you up-to-date on various topics.

1. **Staff Appointment.**

I am pleased to advise that Sherri Tanguay is appointed to the position of Director of Human Resources with the Town effective Monday, April 20, 2015. Sherri has over 28 years' experience as a Human Resource professional. For the most recent 17± years she has worked as a Human Resource Manager with the Mohegan Tribe in Uncasville. Previously she held a variety of Human Resource positions. Sherri holds a B.S. degree in Business Administration, M.S. in Organizational Management and is a candidate for a M.S. degree in Clinical Counseling. Sherri assumed her new position effective Monday, April 20th.

2. **Academy Building – Solar PV.**

Installation of the new solar PV system at the Academy gymnasium is complete. This is a 29 KW system estimated to reduce annual electric costs by an estimated \$2,200 the first year.

3. **Cell Tower – Candlewood Road.**

The proposed cell tower for the Candlewood Road location is proceeding through the State Siting Council process. All background information received at Town offices is posted to the Town web site. A Siting Council public hearing process is now forecast for late June. I will schedule this topic for Council review and discussion as part of the intervener status process.

Sincerely,

Richard J. Johnson
Town Manager
